

Short Bio-data

Name: Dr Balamati Choudhury

Designation: Principal Scientist

Division: CEM

Photo

Area of Expertise: Physics based modeling for Electromagnetic Applications, Computational Electromagnetics, Stealth Technologies, Antennas etc

Specialisation: PHD (Microwave Engg.)_

Publications: Over 290 publications

Subject area willing to guide the student (kindly tick any one of the following):

Aero / Computer Science / [Electronics](#) / Electrical / Mechanical / Chemistry / Information Science / [Physics](#) / etc.

[Physics and Electronics](#)
