

## Short Bio-data

Name: Dr. Parag Deshpande

Designation: Principal Scientist and Associate Professor  
(AcSIR)

Division: UAV

Area of Expertise: Low Speed aerodynamics, Experimental techniques, UAVs, flapping wing aerodynamics, FSI in bio-inspired flexible propulsors, flow control.

Specialisation: Aerodynamics

Publications: 11 Journal publications (1 under review) and 30 conference proceedings

Subject area willing to guide the student (kindly tick any one of the following):

✓ Aero / ~~Computer Science~~ / ~~Electronics~~ / ~~Electrical~~ / ~~Mechanical~~ / ~~Chemistry~~ /  
~~Information Science~~ / ~~Physics~~ / etc.
