Subject: Implementation of Online Guest House Booking System

As per the CSIR directive (OM No.5-1(856)/2023-PD dated 23/11/2023), we are pleased to announce the implementation of an online booking system for NAL Guest House. All guest house bookings will be made exclusively through the online booking system accessible on our intranet and website with effect from September 25, 2024 onwards.

Other forms of inquiries, Offline booking methods such as email, fax, or phone will no longer be accepted. We encourage all users, including personal, official, and group bookings, to familiarize themselves with the online booking process and utilize the system for their guest house reservations.

Thank you for your cooperation.
